Quick Simple Affordable

The entire Bailey range is famous for first class build quality and award winning design.

Whether it's one of our new state-of-the-art Alu-Tech models or a classically constructed Tourer, Bailey is committed to providing customers with market leading design and specification.

We also build our caravans with one other thing in mind – unbeatable value for money.

Whatever your preferred method of payment, Bailey retailers can provide you with a range of finance options to help you buy your next Bailey.

Bailey recommends Black Horse finance to customers who, just like Bailey, are leaders in their field:

1. They are the market leaders in caravan finance
2. They provide award winning technology that gives you a quick answer on your finance application at your Bailey retailer
3. They provide you with a choice of affordable finance options:
 - Fixed rates
 - Fixed payments
 - 1-10 years to pay
 - Flexible deposits

Simon Howard, Bailey Marketing Director commented "We are delighted to work with a company that shares our values of providing customers with market leading products and services that helps to make the buying of a new Bailey simple, convenient and affordable".
